

I am writing on behalf of K-LOVE which is an FM translator service in my area. I enjoy the programming on this station. Since we don't have a local station that provides family friendly programming, K-LOVE provides a way for us to get family programming locally. If K-LOVE were to be displaced by an LPFM station that provided other programming, we would again be left without family programming currently provided by K-LOVE. It is in the public interest to keep FM translator services on the same level of priority as other LPFM stations so that small communities like ours will not lose an important family programming station. Thank you.
